EDUCATION

Bachelor of Computer Applications (BCA) | 2024 – 2027

- Eternal University, Baru Sahib, Himachal Pradesh
- Relevant Subjects: Web Development, Frontend Development, HTML, CSS, JavaScript, User Interface Design, Responsive Web Design

ACADEMIC EXPERIENCE

Student – Computer Applications

Eternal University

- Worked on 5+ academic web development assignments focused on frontend concepts
- Applied HTML, CSS, and basic JavaScript in 12+ practical lab exercises
- Developed 3 responsive webpages using Flexbox and structured layouts
- Completed 10+ frontend-focused tasks involving layout creation and basic interactivity

PROJECTS

Frontend Web Development

- Designed 4 webpage layouts using semantic HTML elements
- Applied CSS styling to 20+ UI components including headings, buttons, and forms
- Created 3 functional forms with input fields (text, email, password)
- Refined layouts by testing designs on multiple screen sizes

Web Development Learning Project

- Built 5 simple webpages using HTML, CSS, and JavaScript
- Implemented 4 form validation checks including empty-field and input-length validation
- Wrote 120+ lines of frontend code to strengthen layout and styling skills
- Used JavaScript variables and conditions in 6 small logic-based examples
- Added interactivity for buttons and form submissions
- Identified and fixed 15+ frontend errors during development practice

EXTRACURRICULAR / LEARNING ACTIVITIES

- Participating in Navgurukul skill development programs (10+ learning sessions)
- Attended 3+ workshops related to computer fundamentals and web technologies
- Practicing frontend development through weekly self-learning (6–8 hrs/week)
- Collaborated with peers on 4+ group-based academic activities

TECHNICAL SKILLS

- HTML5
- CSS3
- Basic JavaScript
- Responsive Web Design
- Flexbox & CSS Grid
- Basic UI/UX Principles
- GitHub & VS Code

SOFT SKILLS

- Communication
- Time Management
- Teamwork
- Willingness to Learn

Hiring Manager
Curelystics Technologies

Subject: Application for Frontend Developer Position

Dear Hiring Manager,

I am writing to express my interest in the Frontend Developer position at Curelystics Technologies. I am currently pursuing a Bachelor of Computer Applications (BCA) and have a strong interest in full-stack web development and software engineering.

I have knowledge of HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, Git, and GitHub. Through academic projects and practical assignments, I have gained experience in developing responsive web applications, creating REST APIs, implementing CRUD operations, and working with database management systems.

I am particularly excited about this opportunity because it involves technologies such as React.js, Node.js, MongoDB, and modern web development practices, which align with my learning goals and career aspirations. I am a quick learner, a dedicated team player, and always eager to learn new technologies and take on challenging tasks.

I have worked on projects such as Portfolio Websites, Task Management Applications, and Learning Management Systems, which have helped me strengthen my problem-solving, debugging, and development skills.

I would welcome the opportunity to discuss how my skills, enthusiasm, and dedication can contribute to your organization. Thank you for considering my application. I look forward to hearing from you.

Sincerely,

Rani
BCA Student
